WHEEL SET UP TOOLING

WHEEL SET UP TOOLING

SetupWizzard by CP autosport

- o New wheel alignment system tool available to all TCR customers
- o Price from 5.880 € (depending on the version)
- o This product have to be ordered directly to the supplier CP Autosport : sales@cp-autosport.com
- o Announced in catalogue but sold through CP Autosport

The innovative wheel alignment system Setup Wizzard from CP autosport ensures perfect suspension measurement of toe, camber and corner weights at the race track. An optional ride-height measurement system is also available.

The system's big advantages:

- o Save valuable time between practice sessions on a race weekend
- o Quick and easy assembly of measurement system
- o Suspension components easily accessible
- o Increased measurement accuracy compared to conventional systems
- o 4 different Modular designs subject to customer demands
